Current position-**Dr. Siba P Raychaudhuri, MD, FACP, FACR, FAAD****Professor – Dept. of Medicine, Dermatology and Immunology
Chief- Rheumatology & Immunology; VA Medical Center
Director- Psoriasis-Psoriatic Arthritis Clinic
School of Medicine, University of California, Davis, USA**

Personal statement: I am a Rheumatologist, Dermatologist and an Immunologist at UC Davis and VA Sacramento Medical Center (VAMC). I am the Director of the Rheumatology & Immunology Training Fellowship program at University of California Davis. I teach Clinical Medicine, Dermatology, Immunology and Immuno-Pharmacology to the medical students, immunology graduate students and the Medicine Residents. At the Psoriasis Research Institute, I directed one of the most successful psoriasis research programs and worked on cutting edge immune-based therapies for autoimmune diseases at the Stanford University Medical Center. At the UC Davis and VA Sacramento Medical Center, I have established the Psoriasis Research Center. **I am also the Director of the Psoriatic Disease Clinic.**
